

MONEY MATTERS

Money Matters

When Cash Is King

How would you describe your relationship with money? Do you attract it in abundance or is it like hen's teeth?

Money matters because it sustains modern life, gives you choices and helps you keep score.

This is not an accounting lesson but will give you insight into the tips, tricks and tools you can use to make more money and then make that work for you.

Based on over 20 years of practical experience, this presentation will have you counting your cash and maximizing your moola.

Includes:

- Money Mindset exploration
- Building blocks for Cash Management
- Key business tools for Maximising Money

Timing:

- Minimum: 20 minutes
- Preferred: 40 minutes
- Max: 1 hours (includes practical elements)

Suggested Questions:

- Where is your biggest cash hole?
- What will you do to create more capital?
- How will you build a lasting empire?

Recommended Audience:

- Business Networking / Start-up events
- Executive / Leadership events
- Chambers of Commerce, Rotary
